

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Sachi A. Hamai, Executive Officer-
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

At its meeting held May 8, 2007, the Board took the following action:

18

The following item was called up for consideration:

Chief Administrative Officer's recommendation to approve introduction of an ordinance to reclassify 595 positions to non-supervisory Information Technology (IT) classifications in conjunction with Phase I of the Countywide IT Occupational Study, to add one new IT Management Classification, and to make technical corrections.

Grace Corse, Audrey Nwankwo, Cindy Mayeda and others addressed the Board.

Supervisor Antonovich made the following statement:

"Technology within Los Angeles County is rapidly growing and has led to increased productivity. Technology is used 24 hours a day to provide services to employees, business partners, and clients of Los Angeles County. Information Technology will continue to play a major role as the County strives to improve efficiency and effectiveness. Accordingly, Information Technology professionals must consistently maintain their skills and competencies. Keeping these skills current requires continuous learning and partnerships with Information Technology training providers that offer comprehensive and up-to-date technology skill training."

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Yaroslavsky, unanimously carried, the Board approved the Chief Administrative Officer's attached recommendations; and directed the Chief Administrative Officer, Director of Personnel, and the Chief Information Officer to identify the specific Information Technology needs of the County workforce and determine whether it would be beneficial to establish an onsite training program at County facilities, and report back in 60 days.

In addition, the Chief Administrative Officer was requested to evaluate and report back to the Board within 60 days on how the Registered Nurse reclassification process has worked, if any adjustments need to be made, and implications the Registered Nurse reclassification has had for handling future large scale reclassifications.
